# WHAT IS A SCIENTIST?

## Directions:

- 1.) Draw a picture of a scientist in his/her working environment on the **back of this paper**. Use the checklist below:
  - ✓ Picture shows a scientist in his or her working environment.
  - ✓ Picture takes up the majority of the paper
  - ✓ Drawing is colorful
  - ✓ Drawing is neat
- 2.) On your picture, list at least 5 characteristics that you believe all scientists share.
- 3.) Use the space below to make a rough draft or brainstorm, if you wish.
